Brain Injury Alliance VERMONT

Dear Friends,

March is flying by! Hence the delay in getting this newsletter out, which I appologize for. Here in VT we had beautiful weather the last few days and despite some rain coming, the forecast is showing warmer temps! After a long winter, I for one am happy about that. Speaking of warmer weather, we are partnering with the Lake Monsters for a night of fun at Centennial Field. You can get your discounted tickets below.

We have heard great things about our newest support group in Morrisville. This makes 3 groups that BIAVT sponsors. If you are interested in facilitating a support group in your area, I would love to speak with you more about it.

The Skill Builder Program is off to a good start. While it is only for Veterans right now, we are actively looking to expand to all Vermonters. Please stay tuned for updates shortly about that.

More information is located below, or feel free to conact us at support@biavt.org or 802-244-6850.
