Bag Program

We are so excited to share that, for the entire month of ***May***, the Brain Injury Alliance of Vermont has been selected by store leadership at Hannaford's ***Williston*** location to receive a $1 donation from every purchase of the $2.50 Community Bag. This is a great way to broaden awareness and help our cause.

The Community Bag Program facilitates community support with the goal of making a difference where shoppers live and work.

Let's get started! Share the news with friends and family. Call, send emails, and post on social media. The more people who purchase the Community Bag in May, the greater the donation we will receive from Hannaford!
